By listing your products on Meesho's platform, you agree to comply with the applicable T&C of the platform, as updated from time to time. You confirm that all product information, including labels, claims, and disclosures etc., complies with the Legal Metrology Act, 2009, Bureau of Indian Standards Act, 2016 read with applicable Quality Control Orders, and all other applicable laws, rules and regulations. You also confirm that you are authorized to list and sell your products and hold all necessary licenses, registrations, and permits as required under applicable law, that each product listed falls within the scope of such licenses and registrations, and that you will keep them valid for the entire period your products remain listed, renewing them before expiry. If any such license, registration, or permit expires, is not renewed, or is suspended or cancelled, you will promptly inform Meesho and take down the affected listings. You are solely responsible for the accuracy and completeness of all information you provide in respect of your listings. You accept full responsibility for your listings, and Meesho bears no liability for any of your acts or omissions.
